SERVICES

North Avenue believes in tailoring the tutoring process to best suit each individual student's needs. Through the identification of learning style and key areas for improvement, we will match your student with one of North Avenue's highly credentialed tutors. Using a results-driven case management model, your student's tutor will evaluate progress and adapt instruction, catering the tutoring process to your student's evolving needs.

We offer comprehensive and personalized one-on-one tutoring in the following areas.

TEST PREPARATION

Through a proprietary curriculum with customized lessons, our test prep tutors will help your child prepare for the PSAT, SAT, ACT, SAT Subject Tests, or AP/IB exams, using official test materials as primary resources.

ACADEMIC COACHING

Academic coaching aims to develop broad academic strengths necessary for success, including time management, project planning, resilience, and self-advocacy.

WRITING COACHING

Writing coaching will help your student with general academic tasks, college application essays, personal statements, research projects, or creative writing.

SUBJECT TUTORING

In addition to providing subject-specific tutoring from fifth grade to college, our experienced tutors also offer skills-based support such as math enrichment and proficiency-building in reading comprehension and vocabulary.

PRACTICE AND OFFICIAL TEST DATES • SPRING 2018

Exposure to realistic test-taking conditions is an essential component in the preparation process. North Avenue proctors practice tests for current students looking to exercise new skills and prospective students interested in assessing their learning needs.
